

Kia ora tatou katoa - hi everyone

No 26

22 August 2019

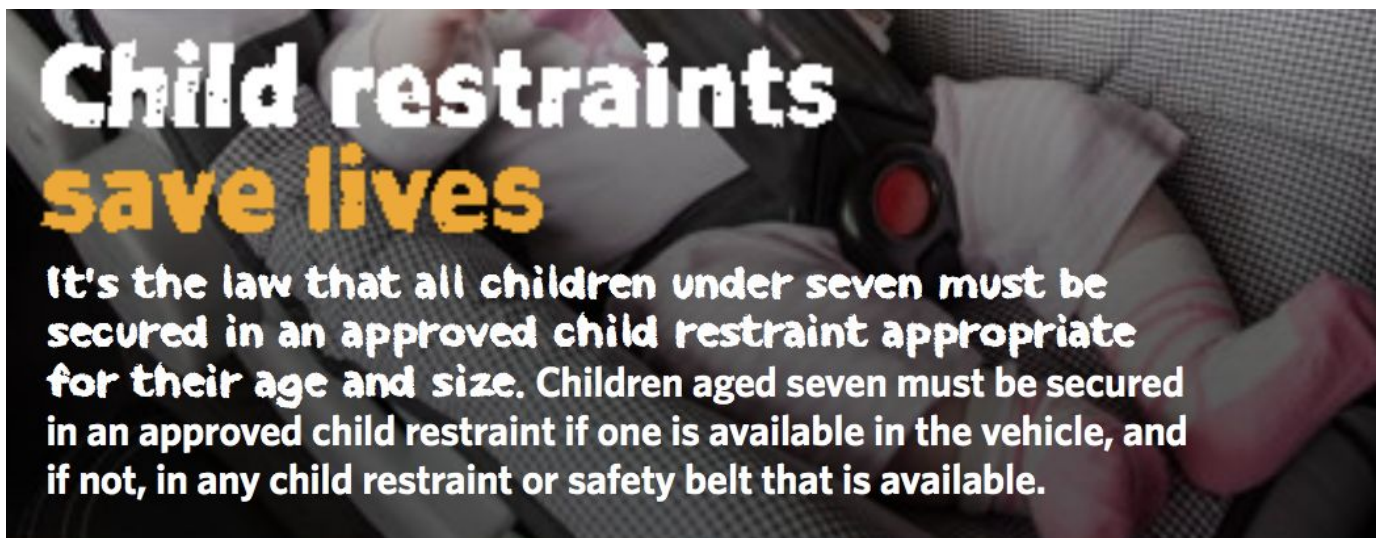

WELCOME to Isabella Quenault who started at Papanui Primary this week in Room 6. We know she will enjoy her time in the Senior School, learning and making new friends

SAFETY

Two weeks ago we talked about our concerns around the children crossing Fraser Street after school and our expectations. This was brought to our attention by a concerned parent. Another situation has been brought to our attention and this also involves safety - **Child Restraints**

This link will take you to the website and there is a further link to the requirements at each age / size of child.

New Zealand Government

GRANDPARENTS DAY and aunts and uncles ... whānau 29 August, starting at 1:30pm

Please pass this on to the appropriate member of your family. This is an opportunity for great grandparents and grandparents or “grand friends” to spend some time at school. The various Pods will be sending home invitations with RSVPs to help with their planning.

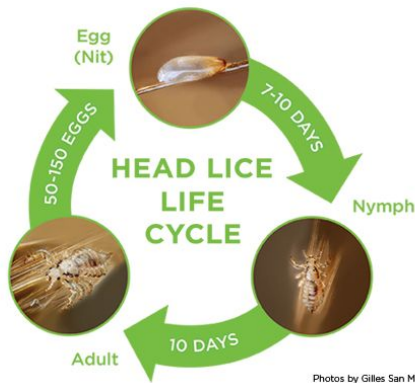

SCIENCE OPEN DAY - THURSDAY 19 SEPTEMBER - **PUT IT IN YOUR DIARY**

This term we will be opening up the classrooms to share with the wonderful learning the children have done in Science this year. The classrooms will be open in the afternoon and the evening. We'll send out the details shortly

NITS - HEADLICE

Nits are a recurring problem at school that affect most children at some point in their schooling. Some children seem to be "nit magnets" while others may only get a few "visits". Here are some useful Ideas from the District Health Board.

Prevention

The best way to stop infection is for families to regularly check hair. Finding and then treating lice will break the life cycle and stop the lice from breeding. Also:

- Tie up long hair
- Nightly hair brushing

And do not share towels, combs, brushes, hats, helmets or other accessories

Apparently hair straighteners are great for blitzing live critters, cooking the eggs and loosening the egg cases.

If the cost of treatment is an issue, a Doctor's appointment is free and so is the prescription they are able to provide.

If you don't like treating with shampoos, Wet Combing is an alternative. The link below has a Youtube clip and instructions <https://patient.info/health/wet-combing-treatment-for-head-lice>

DAFFODIL DAY

On Friday 30 August, it's Daffodil Day. Children are invited to wear yellow or add yellow items to their school uniform. To receive a daffodil please bring a \$2 donation for us to pass on to the Cancer Society.

ENROLMENTS

If you have pre-schoolers or know of any children due to start at Papanui Primary this year or early next, please bring your enrolment form to the School Office as soon as possible. This enables us to accurately assess numbers and classes.

NEWSLETTERS

If you prefer a hard copy of the Newsletter, this is available in the School Office on the front desk. Please help yourself.

PTA NEWS

The PTA and the friends of the PTA did an amazing job last Sunday producing over 400 dozen cheese rolls.

The funds raised are going towards activities and assets that add to your children's schooling.

The PTA make regular contributions to reduce the cost of swimming, dance and other activities. They paid for the bikes and helmets in our Bikes in Schools and many other items too numerous to list.

This year they are replacing the school's kapa haka uniforms and helping with the cost of school camp.

It's not always meetings and fundraising - there is friendship, fun and that warm glow that you get when you help someone or give something.

CULTURAL FESTIVAL 2019
■ CHRISTCHURCH PRIMARY SCHOOLS ■
9-13 SEPTEMBER 2019 - HORNCASTLE ARENA

give athletics a go

Papanui Toc H JUNIORS

The Summer Childrens Athletics season begins in October and we would love to see you at our Open Day on Sunday 13th October at 2pm at Papanui High School, 30 Langdons Road. The season commences on Tuesday 15 October at 5.20pm.

Athletics is a sport that teaches great basic physical skills that can be put to use in a variety of other sports, provides opportunities to develop social skills and the chance to make long lasting friendships.

The club has comprehensive facilities with a 130m all-weather track, 400m grass track, throwing circles and jumping facilities. Club nights are held every Tuesday and offer a combination of coaching and competition. Children can also compete against athletes from other clubs on Saturdays at the new track at Nga Puna Wai.
